[]
In response to our query about the status of the Symington amendment to the Military Procurement Act, Braswell said he understood that the House Armed Services Committee did not appear to have any serious objections to the Symington amendment. Braswell added, however, that he saw no difficulty in taking care of the Agency's problems with respect to the amendment. (Subsequent conversations between Mr. Warner and Mr. Maurice Lanman, Assistant General Counsel (Fiscal Matters), Department of Defense, would seem to indicate that the House Committee staff had some negative reaction to proposals made by Mr. Fred Buzhardt, General Counsel, DOD, with regard to the amendment.)
